

Ethical Issues in Effectively providing LGBTQ - Inclusive Hospice and Palliative Care

When there is tension between values/beliefs of an individual health care professional and the ethical imperative to treat all patients with dignity and respect, conflict (and legal issues) may arise. This webinar will explore potential conflicts and offer strategies and tools for professionals in effectively serving the LGBTQ communities.

1.5 CEs available for a variety of boards including nursing, social work, counselor, and clergy. For a complete list of board approvals please contact info@coalitionqec.org

Join the Coalition for Quality End-of-Life Care as we learn and discuss principles in caring for the LGBTQ community

When: December 12, 2018 from 11:00 a.m. – 1:00 p.m.

Where: James L. West Center for Dementia Care

Cost: \$10 admission • CE Fees: \$9 per certificate
(Individual online registration for CE credit)

RSVP at info@coalitionqec.org or at 817-247-1776

The webinar will be 90 minutes with a panel discussion following the program. The learning objectives for the program are:

1. Identify the ethical principles relevant to the provision of palliative care and hospice care;
2. Describe how advance care planning is a core aspect of protecting LGBTQ patients autonomy; and
3. Describe how they can help LGBTQ individuals and families navigate the ethical and legal issues they may encounter.
